# The East of England

The Eastern coastline of England is one of contrasts. Relax in the wide open spaces and deserted beaches of Norfolk and Lincolnshire, where the tide goes out for miles and the endless skies are only interrupted by windmills and church spires.

Busy resorts of Margate, Brighton, and Clacton have to offer.

Landscapes immortalised by Constable, medieval market towns, and pretty villages.

## Lincolnshire

- **Lincoln** - bustling town with a castle, cathedral, shops and market.
- **Church Farm Museum** - take an unhurried stroll into a bygone era and discover a period furnished farmhouse, agricultural machinery and Lincoln Longwool Sheep.
- **Skewness** - enjoy a great day out at this Lincolnshire seaside resort.

## Norfolk

- **Sandringham House** - the Queen's country residence.
- **Tales of the Old Gaol House** - learn about the history of the prison.
- **Norfolk Broads** - a network of waterways and nature reserves.
- **Sutton Windmill** - a 200 year old windmill.
- **Thrigby Hall Wildlife Gardens** - view rare Tigers from the free walk, exotic waterfalls.

## Suffolk

- **Someneyton Hall and Gardens** - you could end up going round in circles if you get lost in the famous maze.
- **East Anglia Transport Museum** - take a ride on a tram, a trolleybus or the narrow gauge railway.
- **Otter Trust, Bungay** - see Otters in their natural environment.

## Essex

- **Colchester Zoo** - one of the country's leading zoos. The 'Spirit of Africa' Elephant Kingdom and 'Woods of Asia' temple house a wide range of wildlife.
- **Rollerworld** - Rollerdisco, Rollerblade, Rollercoaster, Rollerstop, you'll find it all in the world's finest rollerskating rink.
- **Mangapps** - re-creating the country railway at Burnham-on-Crouch.
- **Clacton Pier** - major entertainment centre with shops, rides, aquarium and repulse house.

**Abstract**—The purpose of this study was to determine the effect of a 12-week training program on the heart rate (HR) and energy expenditure (EE) of sedentary, middle-aged women. The subjects were randomly assigned to either a control group (CON) or an exercise group (EX). The EX group performed a 12-week training program consisting of three sessions per week. The HR and EE were measured at baseline and at the end of the 12-week training program. The EX group showed a significant decrease in HR and a significant increase in EE compared to the CON group. The results suggest that a 12-week training program can improve the cardiovascular fitness and energy expenditure of sedentary, middle-aged women.

## Cornwall

At mealtimes let someone from the kitchen help with the cooking and eating. This is a good way to learn from one of our restaurant or bakery staff.

After a few drinks at the Boulevard Super Bar, a take-out place to the right, The Devil Club offers games, competitive, howls and dancing to the crowd; back down the Sullivan Club there's a jukebox, games, or visiting stats to enter a bet, to avoid bad timing and partying into the night. Quite sure to have a great night out every night at Perrier Sands.

**18TH ANNUAL  
PRESTHAVEN SANDS  
COUNTRY FESTIVALS**

After eighteen years of presenting the most popular residential country music festival in the British Isles, we figure we've got just the right recipe for you to come along and have a great holiday with us at **Presthwaun Sands**. Just look at the ingredients. Over forty of the best acts the **British Country Music scene** has to offer, twenty-seven different shows, top class line dance tuition and spectacular privileges, and for the westerner there are daily shoot-outs and cowpokes.

5-12 MAY

The first of our festivals this year features Britain's first lady of country, Sarah Jory, who, for over a decade has held her audiences spellbound. The British Country Music Award Winners Show has three of the most respected acts on the country scene, namely West Virginia, Mel Hague and Country Company, and of course Raymond Froggatt with his army of fairs is an annual must for our Spring Festival.

# All you need to know

## Arrival and departure times

Your accommodation is available from 4 pm on the day of your arrival once it has been cleaned and prepared for you. We are happy to welcome you at the Park earlier and when your accommodation is ready you may move in.

In order for us to prepare for our next guests we do ask that you vacate your accommodation by 10 am on your day of departure.

### Late arrivals

If you expect to arrive after 7 pm on the first day of your stay, please let the Park know so that we can make arrangements for you to collect your keys.

Half board guests should note that restaurants are not open after 7 pm, although snacks are for sale on Park. Unless the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled (see cancellation conditions on page 192).

## Great family holidays

Haven's Parks and their facilities are intended for family and adult holidays. We are therefore sorry that we cannot accept any single parties under the age of 18. Other parties of young people are accepted only at the Company's discretion.

## What do you need to bring?

### Self-catering

Our well equipped self-catering accommodation contains cooking items, crockery and cutlery as well as bed linen for your party size. You will need to bring washing up materials, plus towels, toiletries and personal effects.

### Half board

Our half board chalets provide towels and bed-linen, so all you need to bring are pool/beach towels, toiletries and personal effects.

Launderette facilities are available for any washing you may need to do during your stay.

## Dining arrangements for half board guests

7 night holidays, 3 night weekend breaks and 4 night midweek breaks provide breakfast and dinner. Meals start with dinner on the day of arrival and finish with breakfast on the day of departure.

## Dining arrangements for bed & breakfast guests

7 night holidays, 3 night weekend breaks and 4 night midweek breaks provide breakfast each morning of your stay.

### Special menu requirements

All of our Half Board Parks provide Vegetarian options at each meal, as well as those from the Salad Bar, Omelette Bar and Wok Bar (where available). Should anyone in your party have any other dietary requirements, please let us know when you book your holiday, using the Special Requests box on the Booking Form, so that we can try and make special arrangements.

## Special requirements

If you have any other special requests regarding your holiday accommodation please advise us when making your booking and confirm your request in writing when forwarding your Booking Form. Please include a phone number in case of any query. We will endeavour to meet your requests, however this cannot be guaranteed.

### Guests with disabilities

We are happy to provide as much advice and information as possible to people with disabilities who wish to holiday at our Parks.

It is important that you talk to us before making the booking as, for example, not all Parks or accommodation are suitable for guests with disabilities and wheelchair access may be limited.

It is therefore essential that you give us as much detail as possible so that we can advise you on suitable locations and ensure that you get the most enjoyment from your holiday.

Many of our self-catering Parks have caravans specially adapted for wheelchair users. Please note that due to their weight and size, not all accommodation is suitable for electric wheelchairs.

We have modified some chalets at selected Parks, to provide wider doorways, handrails and ramps for easier access.

Some guests may also need able-bodied assistance in some accommodation.

Again please discuss this with us before making your booking. Our staff will be pleased to advise and assist you with your detailed requirements.

All requirements must be confirmed in writing when forwarding your Booking Form. Special requests cannot be made a condition of your booking as they are always subject to availability.

### Dogs and other pets

For the convenience of other guests, no pets (with the exception of guide dogs only) are allowed in half board accommodation.

Most dogs are welcome in selected accommodation at certain Parks, at a charge of £40 per dog per week and £20 per dog per short break, up to a maximum of two animals per accommodation unit. Other pets may be permitted at the discretion of the Park General Manager. Please contact the Park direct to discuss charges prior to making your booking. Parks which do not accept animals are clearly identified on the individual Park pages of this brochure.

Where dogs are allowed, they must always wear a collar and identity tag and be kept on a lead under the control of a responsible adult at all times. Dogs and other pets are not allowed in facility buildings, restaurants or food service areas and swimming pool areas. Dogs are allowed only in Economy and Bronze standard accommodation excluding 2001 model caravans. These restrictions do not apply to guide dogs. We reserve the right to require the owner of any dog or other pet to remove it from the Park if we consider it a nuisance or to be interfering with the general comfort of guests.

Certain breeds of dog are not allowed on any Haven

Park, in order to maintain the safety and well-being of all our guests. Please check at the time of booking.

Please note that where a public footpath or right of way crosses our Parks, dogs cannot be excluded from that area.

## Cots and highchairs

### Self-catering

Cots for chalets are available at a charge of £5 per week, in most chalets cots will be positioned in the living room. Please remember to bring your own cot linen. We do not recommend the use of cots in caravans as they do not fit in the bedrooms. However, a cot side rail is available for a charge of £5 per week or £2.50 per short break for one single bed in some of our caravans. A limited number of highchairs can be hired at most self-catering Parks. Please contact the Park direct for details.

### Half board

Cots are provided free of charge and will usually be located in the main sleeping area.

Highchairs are also available free of charge in half board restaurants.

All of the above are subject to availability. Please request at the time of booking.

## Children

We provide a range of indoor and outdoor facilities for children:

### Paws (12 months-4 years)

At selected Parks, the Paws programme operates Easter-26 October. Paws is an early morning programme suitable for parents and children aged 12 months up to the age of 4. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. Places are limited and parents are asked to reserve a place on arrival at the Park.

### Rompers playroom (under 5s)

At selected Parks, Rompers playrooms and play areas are a cheerful place where your children have the opportunity to play under your supervision, both during the morning and in the afternoon.

### The Tiger Club (5-11 years)

At our All-Action and Lively Parks, between 26 May and 7 September, we operate Animal Crackers (5-7 years) and Jungle Rangers (8-11 years) each providing a range of activities suited to their age groups. At other times of the year and at other Parks The Tiger Club combines the best of both activities for 5-11 year olds. Please see individual Park pages for details.

### T-CO. (12-16s)

With their own dedicated leader, T-CO. operates on our All-Action Parks Easter-7 September and at Lively Parks 26 May-7 September. The activity programme is more limited outside the main school holiday period.

## Your responsibility

**Parental Note:** Children remain the responsibility of their parents or guardians at all times, as they do any of our activities or facilities. The club activities form part of our entertainment programme, and are not child care facilities. We do not provide supervision of the children during sessions.

It is important that you always know where your children are, and that you know the times that the activities start and finish.

It is particularly important that you make sure that your children understand that they should always follow the instructions of the HavenMates, T-CO. leaders, Sports Instructors and Lifeguards, so that the possibility of accidents can be reduced.

## Please take care

Please treat the property, facilities and accommodation at your Haven Park with respect and care so that other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to reception immediately so that we can take appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any special circumstances or emergencies.

## Licensing Laws

In accordance with UK licensing laws, we can only supply alcohol to persons aged 18 or over. We may require you to show proof of age using an approved form of identification. We accept the following forms at Haven Parks: full passport, a new style driver's licence incorporating a photograph, a European Group proof of age card.

## Use of your holiday home

Any those people listed on the Booking Form/confirmation can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be invalidated and you will be asked to leave, with no refund made.

If you have any friends who wish to visit you while you are staying with us, please see the Duty Manager who will arrange a day pass for them.

## Reasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the Booking Form or their guests might impair the enjoyment, comfort or health of other guests.

## Infectious diseases

Infectious or contagious diseases could easily be passed to other guests while on holiday. You must inform the duty manager should you contract any such illness while on holiday. In order to protect our guests and staff, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds and we therefore recommend you take out insurance.

## Calculating your holiday cost

Our price grid on the individual Park pages shows the

tariff for the holiday date and accommodation chosen, for a two week holiday just add together the tariff for the two relevant weeks. Supplements will be charged if you have requested a cot, are bringing a pet, require travel tickets or insurance, have requested a 2001 model, Bronze Plus, Bronze Plus extra wide or Rory Village caravan, or a Bronze Plus chalet or lodge. Supplements are also charged on half board holidays if you have requested silver or accommodation with a lounge.

## Occupancy supplements

At half board Parks, there are single chalets, but these are in great demand. When these are full, and a single person occupies a chalet designed for two or more people, we may add a Single Occupancy Supplement to your invoice. Where a party of fewer than five people occupies a chalet designated for more people, an under occupancy supplement may be charged. You will be advised of this charge at the time of booking.

## Prices

We guarantee that the price of your holiday will be as agreed and shown on your Holiday Booking confirmation for your party size, and for the accommodation you choose, plus any supplements and insurance chosen. We reserve the right to increase prices only where there is an increase in Value Added Tax or any other tax applicable to your holiday. Please note that all prices shown are inclusive of VAT at the rate of 17.5%.

Certain caravans and chalets are sub-let by us on behalf of private owners who are not registered for VAT. In such cases the price shown in the brochure does not include VAT on the booking charge, but does include a handling fee (which includes VAT). In any event the price shown remains the same.

## Availability of facilities

The price grids on individual Park pages show the dates on which the Park is open, as well as the opening and closing dates of facilities such as outdoor swimming pools, shops and services as well as the operation of our entertainment programme. Please note that at our All-Action Parks with more than one evening entertainment venue, prior to 26 May and after 8 September 2001, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment. At selected smaller Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week.

Please note that guests must be over one metre tall to use our swimming pool flumes. For the Fun Towers, guests must be over 1 metre tall to use the Multi Lane Slide and Snake Slide and over 1.4 metres tall to use the Free Fall Slide.

Other facilities may also have height and age restrictions. Please check at the time of booking. The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment or a facility may have to be temporarily withdrawn, due to maintenance, renovation, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility, or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes, where made prior to booking and will use reasonable endeavours to advise guests already booked of any changes made thereafter.

## Travel arrangements

Where you take up the additional offer of ferry, coach or rail travel, all party members are subject to the terms and conditions of the service operator(s). Full details available on request. We cannot be held responsible for any unusual or unforeseen circumstances, including delays or breakdowns, on the part of ferry, coach or rail operators, which are beyond our control. Rail and coach arrangements are offered as an additional service for guests and do not represent an integral part of your holiday. The rail and coach travel options are not available to guests using tourist or tent pitches.

## Brochure accuracy

We take every care to ensure that the details of this brochure are accurate at time of going to press. Photographs are taken at our Parks and are intended for guidance only. Layout plans are for illustrative purposes only. Please note that not all items will be identical at all Parks. The Acts and Artists featured in this brochure are those which have appeared with us recently. They or acts of a similar calibre will be entertaining you in 2001.

## If you have a comment

If you are dissatisfied with any aspect of your break, please speak to the Park Reception. In most cases they will be able to help you immediately so that you can enjoy the rest of your stay. However, if you are still not satisfied, you must then make an appointment to see the Duty Manager and record your complaint with them. If, at the end of your break, you feel that we have not dealt with your complaint satisfactorily, please write to the General Manager at the Park no later than 28 days after the end of your break. We are only able to take action on any complaints which are first brought to the attention of the Reception team whilst you are on your break and secondly received in writing within 28 days, unless there are exceptional circumstances. It is necessary for Haven to impose these limitations so that we have the opportunity to solve the problems experienced.
